

ADVANTAGE CORPORATE PROGRAM

Track Houston has partnered with Advantage Rent A Car. This program is an excellent fundraising campaign for us because there's no extra out-of-pocket cost for you, and we benefit on an ongoing basis every month. All renters must meet the Advantage standard rental requirements including a valid driver's license and a credit card in the renters own name with available credit or Advantage Billing Account. Terms and conditions of the Advantage Rental Agreement and this Agreement will apply. Violation of Rental Agreement will void all benefits.

Rates do not include commissions, taxes, surcharges, airport related fees, or other charges unless specifically stated in the Corporate Account benefits below.
